Gear Packages

Gear packages are an innovative new way to book gear for next shoot. Not only do you save money on popular gear packages, but using SAVAGE Rentals packages ensures you don't forget that vital piece of gear you really needed for the shoot.

We have put this section at the front of the catalogue because it's a great starting point for any hire.

We suggest hiring gear in these 5 simple steps:

Step 1 Book your Lamp Package(s)

Step 2 Book your Essentials Package(s)

Step 3 Book your Cutter/Frame Package(s)

Step 4 Book your Textile Package(s)

Step 5 Book any individual items you may need

Note: If you need something that isn't in one of your packages, just flick to the back of the catalogue and book it separately.

Rental Insurance

At SAVAGE Rentals we have many options for insurance. We understand that some projects opt to save money when they can, others want to cover themselves for everything, and some would prefer to source their own insurance.

<p>NO INSURANCE The hirer provides insurance (proof of cover required)</p>
<p>STANDARD INSURANCE \$2000 Excess 7.5% Surcharge (off invoice total before discounts)</p>
<p>PREMIUM INSURANCE \$800 Excess 10% Surcharge (off invoice total before discounts)</p>
<p>COMPLETE INSURANCE \$0 Excess 20% Surcharge (off invoice total before discounts)</p>

All rentals must have some form of insurance attached. If opting for the 'no insurance' option you must provide proof of insurance from a third party.

When booking a van through **SAVAGE Film Services** 'complete insurance' is built into the price of our vehicle packages.

Memberships

At SAVAGE we value loyalty and so we are offering our most loyal customers the chance to become SAVAGE Members, earning a range of entitlements from gear rental discounts, free insurance, and discounts off SAVAGE Film Services vehicle packages.
